Press Release
Gallatin County COVID-19 Update

As of Saturday, May 9, 2020, at 12 p.m. Gallatin County has 1 new confirmed case of COVID-19, for a cumulative total of 149. There are 3 confirmed active cases. There have been a total of 145 people recovered and 2,643 tests in Gallatin County. One person has died from COVID-19 complications.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

More data can be found on GCCHD's new dashboard on our website at this link:
https://www.healthygallatin.org/coronavirus-covid-19/.

This dashboard will be updated by 12 p.m. each day.

Information on statewide cases continue to be found here:
https://montana.maps.arcgis.com/apps/MapSeries/index.html?appid=7c34f3412536439491adcc2103421d4b

Please note that local data on active cases may differ from the state map as the state map is only updated once daily and calculates active cases differently.

All Gallatin County cases consist of community transmission, close contact, and travel related history.

When we are out exercising most of us go slow and steady. This applies to reopening, too. This is a marathon, not a sprint. So when you are out for a walk, run or hike remember to stay safe in our outdoor spaces.
- Maintain social distancing and stay kind.
- Avoid crowded trails and outdoor areas.
- Be prepared for limited facilities and service.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at

callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD website
https://www.healthygallatin.org/coronavirus-covid-19/.
