### Press Release

#### Gallatin County COVID-19 Update

As of Tuesday, June 23, 2020, at 12 p.m. Gallatin County has 2 new confirmed cases of COVID-19, for a cumulative total of 219. There are 26 confirmed active cases. There have been a total of 192 people recovered in Gallatin County. One person has died from COVID-19 complications.

The new cases are located in the Gallatin Valley. One case is travel related and the other community spread.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data on active cases may differ from the state map as the state map is only updated once daily and calculates active cases differently.

The Gallatin City-County Health Department calculates the **recovered case number** as the number of total cases minus any active cases, current hospitalizations and deaths.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at [callcenter@readygallatin.com](mailto:callcenter@readygallatin.com).

The most accurate local source of information remains the GCCHD [website](#).
