Press Release

Gallatin County COVID-19 Update

As of Monday, Aug. 31, 2020, at 12 p.m. Gallatin County has had 22 new confirmed cases of COVID-19 since Friday, Aug. 28, for a cumulative total of 1,092.

There were 17 new cases reported on Saturday, five new cases reported on Sunday, and zero new cases reported on Monday.

Four cases previously assigned to Gallatin County were reassigned to other areas following further investigation.

There are 50 confirmed active cases and one current hospitalization. There have been a total of 1,039 people recovered in Gallatin County. Three people have died from COVID-19 complications.

More data can be found on Gallatin City-County Health Department's dashboard on our website [here](#). This dashboard will be updated by 12 p.m. daily. Information on statewide cases continue to be found [here](#).

Please note that local data may differ from data about Gallatin County provided by the state as the Gallatin City-County Health Department may be alerted to additional cases before the state.

A recovered case means that a person who tested positive for COVID-19 has been released from isolation. It's important to note that even when people are released from isolation, many continue to feel the effects of COVID-19 infection long after they are released from isolation.

The Gallatin City-County Health Department calculates the recovered case number as the number of total cases minus any active cases, current hospitalizations and deaths.

As we approach Labor Day weekend, let's reflect and learn from our community's recent experience. [This report](#) shows, among other data, COVID-19 cases by the day symptoms first appeared. There was a sharp increase in cases in Gallatin County shortly after the Fourth of July holiday weekend.

215 W. MENDENHALL, BOZEMAN MT 59715

As our community tries to reopen schools, please consider your Labor Day holiday plans that prioritize prevention. Remember to keep a distance of 6 feet, wash hands, and wear face coverings.

The Gallatin City-County Health Department Call Center is open seven days a week from 8 a.m. to 5 p.m. to answer questions about COVID-19. Reach the Call Center by phone at 406-548-0123 or email at callcenter@readygallatin.com.

The most accurate local source of information remains the GCCHD [website](#).
