## **Press Release**

### **Board of Health Extends Three Local Emergency Health Rules**

At a meeting on Wednesday, Jan. 20, the Gallatin City-County Board of Health extended three local emergency health rules intended to slow the transmission of COVID-19.

Those rules include:

- [Requiring face coverings in public places](#)
- [Isolation and quarantine](#)
- [Visitation at nursing homes, skilled nursing facilities, and senior and assisted living facilities](#)

These rules will remain in effect until April 20, 2021 unless otherwise revoked or modified by the Board.

The Board is leaving in place until Feb. 4 an [emergency rule on Phase 2 reopening](#) that restricts how certain businesses operate during the pandemic.

The Board will hold a special meeting on Feb. 4 to discuss amending and extending the rule. The proposed changes to the rule and the agenda will be posted ahead of the meeting for additional public comment.
